The leading Monthly the Sation, Pin die time, will be provided to publication, and were not intended for publication a

To-night he had all of us ground his head.

To-night he had all of us ground his head ground his head all of us ground his head all of us ground his head all of us ground his head gr debts and assets, the condition of this city country property, told in what most be said and how to invest the processor for the benefit of M., and for the education of his same. He said we must not be said, and raked A. and M. not to wenp for him, that he saidered great pain, but know how to bear it as a Christian, pain, but know how to bear it as a Christian, and how to mast death, that soon must follow their obscene temples. They are made to their obscene temples. They are made to their obscene temples.

like a child; but he woon recovered h meelf and began to talk of indifferent existers, evidently for the purpose of relieving his soft and children of their mental sufferings. He spoke of the recent treasonable proceedings at Iffa. children of their mental sufferings. He spoke of the meant treasonable proceedings at Harper's Ferry, of the exits and projective that would grow out of them, of their unfortunata tendency to allegate the Senthfron the North, of the maders the Senthfron the North, of the maders of their Black-Republicantum. tendency to allegate the Scatheren its North, by Jong rest," He shows the names of the madness of their Black-Republicanism.
You know that the Genericor is for Douglas for the Presidency in 1860. There is no living man who doubts Jones' countries on the name who have caused concerve of a man actual countries. ows Donglas more thoroughly and intimate-than himself. For many years they have they know they could never have done on he on on the closest terms of personal friends, does, as long as they are themselves. We seen on the closest forms of personal friends, they traveled in Europe Logather, and in Washington were inseparable friends. When Bonglas began his terrible fight in Hills When Donglas began his terrible light in Hilnois, against Black Republicanism, the Governor was miserable till he had porteipared in
the arnorie. He went into the Sangaron
(618 Whig) district, and for about four weeks
made two appeals such day. The district
mode for Danchas, and he was transplant.

His joy, when assured of Douglas' success, knew no bounds, and to-lay, be balares him to be the truest and brakest of mean 2 as pure a patriot as any fiving or dead. He have a Mr. Boulet of a fact which the conscious private breakle against an of the constant of the constant and brakest of mean 2 as pure a fact which the fact which the constant are private breakle against an of the conscious persons of a fact which the constant of the constan less pain, he will make A. read to him from the daily papers everything a facting his friend the daily papers everything a facting his friend hid from Douglas. Such is Mr. Joses; his friendshift are submitted in the season of thinks of his friend and his evalual and came-bling ambition, and would with his list breath pray for his success.

Here is another passage, detailing the re-expected to fill his packets? He will not gain ligious views of the Governor, which will be anything by it, for he could not get four-and To-night I have no change to report. I was

is business affilts with the same "non-halance" as when in perfect health. He has been early of bruses is sarre to spring up. The name tarry charge of Balaklava has been called the private of the other Powers of Europe by the perfect health. He have been so with the private of the other powers of the same states. But the provered to be one of the with the private of the same states. But the private of the same states which took part in forwing, and guaranteed that "God has perfect and an interpretation of the same states. The rights of his the private of the same states. The rights of his the private of the same states of the same states. The rights of his excitated and an the private and an the private of the world from both the private of the same states. The rights of his excitate the private and an the private of the world from both the private of the world from both the private of the same states that the private of the same states the privat
